

Fort Johnson Youth Commission Newsletter April 2017

Village Hall 11am-2pm

We will meet at Village Hall and go out in small groups picking up trash, planting flowers and making our village beautiful. We are encouraging families to stop by and help. We will remind our children about the importance of keeping our neighborhoods and the Earth clean and beautiful.

There will be plants, flowers, seeds and dirt to plant. If anyone wants to donate plants that is wonderful. If you have gardening gloves, gardening tools, trash bags, rubber gloves bringing them is a great idea. We will have some on hand but the more the merrier. All participating children will receive a coupon for a free ice cream cone from Stewarts.

Please contact Jen Young at 518-461-0709 or jenyoung729@yahoo.com to sign up or for more information.

Spring Break Movie Week

April 17th-23rd

Emerald Cinemas

Your child can go twice during spring break. Get your kids on the list.

If your family is interested in tickets to an

Game let us know and we will get you a family pass.

We are offering tickets to either The Great Escape or Enchanted Forest Water Safari. You will be able to use them at your convenience. Please let me know which tickets your family would like.
